In order for us to notify you of modifications or updates to this program you **MUST** complete this card and return it immediately. This card gets you information only and is **NOT** a warranty registration. Register one software package per card only. The registration card is postage paid—it costs you nothing to mail.

Two change of address cards have been included so that you may continue to receive information in the event that you move. Copy all address information from the Registration Card onto them prior to sending the Registration Card. They must show your "old address" exactly as you originally registered it with us.
